

Financial Report Translations

Accuracy, Security, and Compliance You Can Trust

BIG
LANGUAGE SOLUTIONS

Global Reach, Local Expertise

Annual and interim reports play a crucial role in keeping stakeholders informed, maintaining regulatory compliance, and reinforcing your company's reputation. BIG Language Solutions ensures that your reports are **accurate, compliant, and impactful**, no matter the audience or language.

Comprehensive Financial Report Translation Services

We specialize in translating:

- ✓ Annual reports
- ✓ Half-year reports
- ✓ Interim reports
- ✓ Investor communications
- ✓ Pillar III and Solvency II
- ✓ ESG and CSR reports

Industry Leading Quality Assurance

Our commitment to quality is backed by:

- ✓ Expertise in **IFRS and GAAP** standards for regulatory compliance
- ✓ Custom processes tailored to financial services, objectives, and markets
- ✓ Compliance with new **CSRD terminology** for sustainability and ESG reporting

Tailored Workflows & Dedicated Support

Every client receives **dedicated project managers** who oversee a customized translation workflow, ensuring smooth project execution from start to finish. Our **24/7/365 support** ensures we meet your tightest deadlines with **precision and reliability**.

Smart Technology for Greater Efficiency

Our teams of specialized financial translators leverage an intuitive technology platform that enhances speed and accuracy:

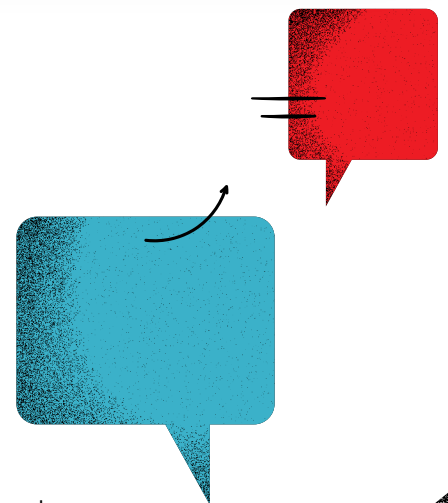

Translation memory tools to improve consistency and reduce costs

Secure client portal for seamless collaboration and real-time tracking

Customer glossaries for precise terminology management

Design & Multiformat Adaptation

Beyond translation, we offer **design and DTP services** to adapt layouts for multilingual reports. Whether working within your existing format or liaising directly with your **communication or design agency**, we ensure your final documents are polished and publication-ready.

We support multiple file formats, including **Word, InDesign, PowerPoint**, and more, ensuring your reports are delivered in the format that best suits your needs.

Security & Compliance at Every Step

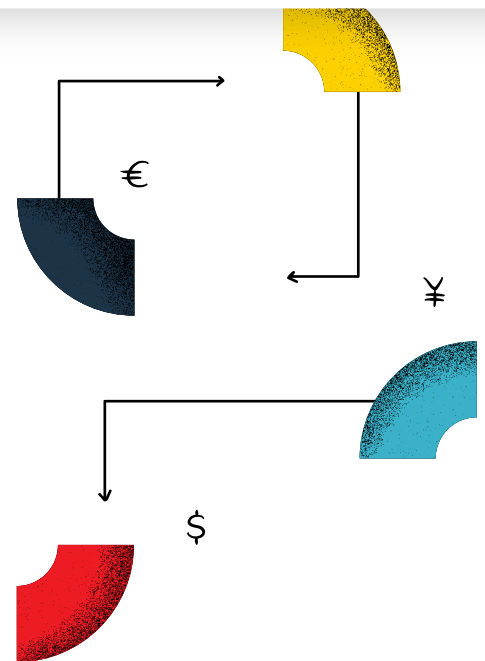

We Prioritize...

- ✓ **SOC 2 Type II-compliant data handling** for complete peace of mind
- ✓ **Adherence to strict financial industry regulations** to ensure compliance and data protection
- ✓ **Rigorous translation governance**, ensuring accuracy and compliance

Financial Report Translations, Simplified

With translations in **300+ languages** and an unwavering commitment to **security, accuracy, and compliance**, BIG Language Solutions is your trusted partner for annual, interim, and other financial report translations.
