Why BIG is Better

Lower Costs

In-house expertise and proprietary workflows allow us to offer industry-leading pricing, with cost optimization through templates and automation.

Superior Quality

Multiple layers of review ensure exceptional accuracy — for example, 10,000 Braille files processed with 99.97% accuracy.

Security

All Braille and accessible formats are handled in-house, eliminating outsourcing risks and maintaining full control over the process.

Faster Delivery

Removing intermediaries reduces turnaround time, delivering materials days faster than competitors.

Customization Potential

Fully customizable workflows and seamless integration with print and mail services provide a true one-stop shop.
